Accessories	Part Number
Auxiliary Rack, 2-position, 500mL tubes	45400
Closed Cell Assembly Set 1.0mL stem includes 1 ea: sample tube, condenser and cell cap	49833
Closed Cell Assembly Set 0.5mL stem includes 1 ea: sample tube, condenser and cell cap	45407
ClearBath, 8 oz Bottle	44316
Plug-Hole, 3.15 Diameter, TurboVap 500, Black	45418
Glass Covers for 500mL sample tubes (2 ea)	45412

Glassware	Part Number
Condenser	44927
Cell Caps (2/set)	45210
Concentration Sample Tube, 1.0mL stem, 500mL (2 ea) - recommended for best recoveries with semi-volatiles	45402
Concentration Sample Tube, 0.5mL stem, 500mL (2 ea) recommended for best recoveries with non-volatiles	44848
Concentration Sample Tube, flat bottom, 500mL (2 ea) recommended for best recoveries with non-volatiles	47932

Replacement Kits	Part Number
Electronics Cover Replacement Kit (with keypad)	103211
Control Board Replacement Kit	45711
Drain Tubing Replacement Kit	45709
Sensor Replacement Kit	45713

Motor Replacement Kit	46803
Condenser Tubing Replacement Kit	50197
Bath Replacement Kit	46985
Startup Kit, TurboVap 500	122799

Spare Parts	Part Number
Motor Cover	45224
Fitting-coupling, panel-mount, 1/8 - inlet/outlet couplings on unit	45350
Fitting-coupling insert, right angle, 1/8 barb - connects Condenser tubing to unit	45351
Fitting-coupling insert, right angle, 1/4 barb - connects ¼" chiller tubing to unit	45352
Cap, screw-on — connects drain tubing to Condenser	45355
Fan Assembly (internal cooling fan)	45362
Interconnect Board	45705
Drain Cap Insert (1 ea)	45771
Gasket — on fitting in screw cap which to Condenser	45776
Teflon Sleeve Kit (4/pkg) — for ground glass joints: requires 46433	46431
Teflon Sleeve Installation Tool —required for 46431	46433
Teflon Washer, 0.45 OD x 0.25 ID x 0.02 THK — in Teflon seal placed in glass Cell Cap	46686
Fan Blades and Shaft (2/set)	46801
Teflon Seals for Fan Shaft (10 ea/pkg)	46802
Teflon Seal for Fan Shaft, 1 each	46476
Bearing, 0.6 OD x 0.25 ID x 0.2 ED, 0.69 diameter — in motor mount	47568
Mount for the Motor and Bearing — mount only; no bearings or hardware	47569

Miscellaneous Items	Part Number
Bath Siphon	46381

Documentation	Part Number
Operator's Manual	47025
Reference Card	45220
